Pursuant to Section 105c of the State School Aid Act of 1979, MCL 388.1705c, Oxford Community Schools must have a written cost-sharing agreement with the resident district as to the payment of added costs associated with an out-of-county pupil's special education programs and services. This agreement is required if the student is identified as a special education student at the time of enrollment or at the time of a residency change, or if the student is ever identified as needing special education programs or services at any time after enrollment. Further, the agreement will need to be amended if there are significant changes in the costs or level of special education programs or services that are required by your child. If Oxford Community Schools cannot enter into a cost-sharing agreement with your district of residence, your child will no longer be able to continue enrollment with Oxford Community Schools.
